Re: Interlocal Contract

The price per day from $16.00 to $18.00 was approved in December 2005. The contract signed in September 2006 had the $16.00 per day amount which was incorrect.

Government Code 76.004 provides the CSCD Director the authority to negotiate and enter into contracts on the behalf of the CSCD Department, therefore, I felt the signature page necessary to solidify the contract.
