Mr. Bilyeu,

Pursuant to earlier conversations regarding fire district boundaries, this letter serves as a request for final change in the fire district boundaries of the City of Lucas. These changes will become effective at 11:59 p.m. April, 21st, 2009. The attached map shows the areas that will be excluded from our fire district. The City of Lucas will only respond for mutual aid in that area after another Fire Department who has accepted this area in their fire district acts as a first responder and depletes their resources as specified in our mutual aid agreements. Attached is a letter from Fire Chief Corbin of the City of Wylie addressed to the Collin County Fire Marshal concerning this issue. Lucas would like to reiterate the same concerns provided in that letter by the City of Wylie.

If you have any questions please feel free to contact me,

Respectfully,

Bill Carmickle
Mayor
City of Lucas

Cc: Robert Patrick, City Manager, City of Lucas
Jim Kitchens, Fire Chief, City of Lucas
Randy Corbin, Fire Chief, City of Wylie
Mike Sheff, Fire Chief, City of Parker
