Dear Sheriff Meyer:

Attached you will find Change Order 13628 for Collin County Jail with regard to the current booking system change request. Once you have had a chance to review and speak to your 3rd party vendor regarding their fees, please sign or procure the appropriate signatures on the change order, keeping a copy for your records. My copy may be returned via postal mail, fax @ 502-992-3443 or scanned and sent via email. If you have any questions, feel free to contact me at 866-APPRISS (866-277-7477), ext. 3850.

Outlined below are brief explanations of the Third Party Pricing Portion of the Change Order. These updates are included to facilitate more efficient and correct communication between Appriss, Statewide VINE Program Managers, and Local Agency Contacts while meeting contractual obligations.

- **Scope of Work** – Details what changes will be made in Agency Booking System and the work Appriss will complete.
- **Appriss Pricing** – Includes total hours and cost expected to complete work by Appriss technicians on the VINE interface.
- **Third Party Vendor Pricing** – Vendor fees charged for completing VINE compatible booking system interface development, deployment, and maintenance to the Agency are not covered under the VINE Service Agreement. If there are applicable fees for any of these items, we ask the VINE Program Manager to discuss these fees with the Agency and determine how these costs will be remitted to the vendor. This information will then be indicated on the change order form.

Thank you for your prompt attention to this correspondence. We look forward to continuing to provide our services to you in the future

Thank you,

Joyce Boone Karrfalt
