MEMORANDUM

DATE: January 21, 2011

TO: Chief Deputy Rick Allen

FROM: Major Chuck Ruckel CR

RE: Software Trade-In

Our Patrol software vendor, ICS, has also provided software for Detention. Due to the purchase and installation of Odyssey, some of the software provided by ICS is no longer needed in Detention. Since this software has already been purchased by Collin County, ICS has offered to take it in trade-in for software that would enhance our Patrol. Our IT Department has reviewed this offer and has approved it. There is no cost or budget impact. A list of the software enhancements is included on the attached pages. I recommend that we accept this offer.
