Re: Bid Item 6.28

Per our discussion of this morning concerning the fact that the Firestone tire that we bid for this line item is in fact a blackwall tire and not whitewall as requested. We misread the bid request and would like to ask to be released from this bid

Your help will be greatly appreciated

Sincerely,

Dear Athena,

On November 1, 1997, Bandag, Inc. out of Muscatine, Iowa bought Joe Esco Tire Company. As a result, we merged with another location that they had bought here in Dallas, and the name on both was changed to Tire Distribution Systems, Inc (TDS). The physical address remains as follows:

816 W. Mockingbird Lane  
Dallas, Texas 75247  
Phone: 214 638 7200  
Fax: 214 638 2715

However, the accounts payable address did change. That new address is:

Tire Distribution Systems, Inc.  
P. O. Box 1000, Dept. 107  
Memphis, TN 38148-0109

In response to your question concerning line 6.28 of the current bid (P225/70R15 pursuit radial), the Firestone PV 40 is not a whitewall tire. It has raised black letters instead.

If I can be of further assistance, please feel free to call.

Sincerely,

Ralph Knight, asst manager
