Mayor Schell,

Can you please respond with your permission to change the expiration date on Agreement: Interlocal, Recycling Opportunities? You have previously signed off on the Agreement. I want to extend the time period only.

Thank You,
Paula Smith

Mayor Schell,

Please see the attached documents. I have been informed that I could change the term on the Amendment to state: September 30, 2007, if I have your written permission to do so. Instead of sending you an additional Amendment, I can change the date on this one which will extend it through September 30, 2007.

Please respond at your earliest convenience.
