Re: Approval of Interlocal Agreement (ILA), City of Wylie
Engineering and Construction Hooper Road Bridge over Maxwell Creek
2003 Bond Project ##03-72-Location Map Attached

The City of Wylie requests Commissioners Court consider approval of the attached Interlocal Agreement (ILA) for the above referenced 2003 bond project. The 2003 county bond program allocated \$569,250 for the engineering, right-of-way, and construction of a 4 lane bridge over Maxwell Creek on Hooper Road. In 2003 the estimated total cost of the bridge was \$1,138,500. The total county commitment will be 50% or \$569,250.

Similar to other ILA's, the city will administer and manage the engineering and construction. The city will authorize engineering before the end of 2006. The city estimates the bridge will be completed within 15 months or early 2008.

We request Commissioners Court favorably consider approval of the ILA between the City of Wylie and Collin County for the construction of the Hooper Road Bridge.
