Re: IFB 05090-06 - Adjustment

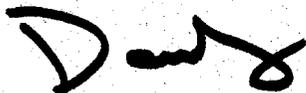

Dear Mr. Dobecka,

In the interest in working with Collin County, I will acknowledge a reduction of 2.4% based on the Consumer Price Index. TMS will absorb these costs and pass the savings on.

Relative to the fuel adjustment, I feel this adjustment is warranted and should remain in effect. TMS absorbed all of the increases in late 07 and 08. The most we can expect going forward is to break even for the past two calendar years.

Your disposition of the adjustments will be appreciated.

Regards

Darby Hubbard
