Mr. Dobecka

As per your request, SprayMAX, Inc. will agree to reduce its contract price, in an effort to maintain a good business relationship, by 1%. However, it should be noted that SprayMAX honored our contract price in 2008 that was based on the cost at the time of the bid in 2007.

SprayMAX request for an increase in September 2008 was to offset the increase in fuel and product cost, that we endured while honoring our 2007 contract price. SprayMAX, Inc. values its customers and will work with them to whatever capacity we can to help control cost while providing a quality service.

Sincerely,

SprayMAX, Inc.
