Re: Address update to Lewis Ln, for compliance with Collin County Address Policy

Pursuant to the Collin County Addressing Policy, Court Order No. 2002-247-04-08 Section B, the addressing along the county-maintained section of Lewis Ln is out of sequence to a degree posing a potential delay to emergency response; the residents have been informed of this petition, and I respectfully request the following address updates be approved by Commissioners' Court:

Change 5090 Lewis Ln to 5480 Lewis Ln

Map page 5G2

And a new address 5484 Lewis Ln

If you have any questions regarding this matter please call me at extension 4797.

Dear Collin County Property Owner / Postmaster:

The Collin County Rural Addressing Office is currently standardizing emergency addressing, to ensure that there will not be a delay of emergency service to your residence.

To facilitate emergency response, some changes must be made to standardize addresses. The addresses on north section of Lewis Ln are currently not in sequence. Please see the enclosed map. The City of Parker is retiring the addresses 5100 and 5474 due to future development.

The addressing recommendation listed below will be made to the Collin County Commissioners' Court by the 9-1-1 Rural Addressing office. The agenda request will be made for the public session of the Commissioners' Court on March 23, 2009, which you are welcome to attend. The scheduled court date is subject to change – for information on the latest agenda notice go to:

www.co.collin.tx.us/commissioners_court/commcourt_agenda.jsp.

Pending approval by the Commissioners' Court, your 9-1-1 addresses will change:

from	5090 LEWIS LN	to	5480 LEWIS LN	Ann Hurt survey A0428, Tract 11
	8090 LEWIS LN *		5484 LEWIS LN	Ann Hurt survey A0428, Tract 19

Within 2 weeks after approval by the commissioners court, a 9-1-1 address correction letter will be sent to you, your emergency service dispatcher, your post office, and the Collin Central Appraisal District.

The two Collin County Department of Public Safety (DPS) offices, in McKinney and Plano, will update the address on drivers licenses at no charge when shown the 9-1-1 address correction letter.

Property deeds are not affected by a change in address - even though the deed may reference a physical address, the legal description is the permanent property identifier. This office will provide an address verification letter at no charge, if ever needed in the future.

If you have any questions concerning this address, please call the GIS/9-1-1 Rural Addressing office at 972-548-4797.

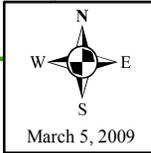

Sincerely,

Ramona Luster
