Mike,

Total square footage of the new Administration Facility at 2352 Bloomdale Road is 112,479 sq.ft. from the 1st floor to the Penthouse per the prints. I would like to have the pricing for the Pestworks

3/10/2009

Extermination Contract Addition so I can get it to court and have the Facility Exterminated before the first offices move in on April the 6th of 2009.

Any questions please call me at 214 686-7139.

Thanks
Mark Crull
