Re: Donation of Surplus Equipment  
City of Lucas

Public Works has received a request {attached hereto} from the City of Lucas for one used Crown Victoria to be utilized for their inspectors and office staff.

The Collin County Vehicle/Equipment Donation Program was initiated to supply volunteer Fire Departments with surplus fleet equipment when feasible.

Public Works requests Commissioner's Court consideration and action pertaining to this request.

I have included past correspondence outlining the intent of the surplus vehicle/equipment donation program.

Should you require additional information, please contact me and I will respond accordingly.
