April 1, 2009

To Whom It May Concern:

On May 11, 2009 the price of stamps will be going up 2 cents. During the weeks of April 20th- May 11th Lone Star Commissary will be selling forever stamps and pre stamped envelopes. These are stamps that can be used now and after the increase date.

Inmates are encouraged to use up their 42cent stamps and pre stamped envelopes before the May 11th date. Lone Star Commissary will **not** be supplying a 2cent stamp on the menu for the inmates to purchase, or receive credit for any of their unused 42cent stamp(s) or pre stamped envelope(s).

Sincerely,

John D Coggin
