Bid Notes Klein Products Inc, is a 52 year old company in the business of design, engineering and manufacturing of mobileliquid distributing machinery to the construction, mining and municipal industries. We are located in Jacksionville, TX. We build premium quality water distributing tank and related componants. Our factory and our prodcuts are avaiable for tour and demonstration.  A weight distribution and CG drawing is attached. I would be happy to review the details of this drawing and actual weight loads imposed on axles. Also attached are a few photos of similar units recently delivered. \*\* All bids/proposals submitted for the designated project are reflected on this tabulation sheet. However, the listing of the bid/proposal on this tabulation sheet shall not be construed as a comment on the responsiveness of such bid/proposal or as any indication that the agency accepts such bid/proposal as being responsive. The agency will make a determination as to the responsiveness of the vendor responses submitted based upon compliance with all applicable laws, purchasing guidelines and project documents, including but not limited to the project specifications and contract documents. The agency will notify the successful vendor upon award of the contract and, as according to the law, all bid/proposal responses received will be available for inspection at that time.
