Re: Reimbursement of Road Oiling

Public Works requests reimbursement in the amount of \$250.00 payable to Lonnie Messenger and \$125.00 payable to Flying T Ranch; for dust control oiling of County Road 525.

County Road 525 was scheduled for upgrade to asphalt in late July of 2009. Therefore, the residents paid to have the road oiled to control the dust during the dry summer months.

Public Works has performed pre-construction ahead of schedule, thus the need for road oiling is not necessary.

Should you require additional information, please contact me and I will respond accordingly.
