Re: Assign Surplus Passenger Van to Public Works

Public Works requests Commissioners' Court approval to retain Unit #40002, a surplus 2004 passenger van for Road and Bridge use in the Inmate Work Program. This vehicle would be used to transport inmates to the various work sites throughout the County.

In addition, this vehicle could be used to transport citizens in the event of a major disaster or weather-related event.

Should you require additional information, please contact me and I will respond accordingly.
