## MEMORANDUM

DATE: July 2, 2009  
TO: Judge Keith Self  
Commissioners' Court  
FROM: Sheriff Terry G. Box   
RE: Taser Bid

---

The attached Commissioners Court Agenda Request is to approve going out to bid for Tasers for our Deputies. We previously purchased Tasers as funds became available. The current request is for ten (10) Tasers and will be paid from our Justice Assistance Grant (JAG). Because the amount spent for Tasers over the last 12 months exceeds \$25,000, we are required to go out for bid, according to Purchasing, even though this purchase is less than \$10,000.
