Subject: Paving of County Roads

The City Council has approved the appropriation of funds needed for our participation in the paving of CR 123, CR 124, CR 161 and CR 163 as requested earlier this year.

According to the information you provided the City share of this work will be \$281,485.05 and will be completed under the terms of the previously approved Interlocal Agreement.

Please send a formal proposal identifying the roadways along with a cover letter. I need that documentation to initiate a purchase order.

In the meantime, please begin the work necessary to pave the roads as discussed.
