Re: City of McKinney (ILA) Road Improvements  
CR's 123, 124, 161, and 163

Public Works has budgeted funds to upgrade County Roads 123, 124, 161, and 163.

Portions of these roads lie within the City limits of McKinney. Since sections of these roads are within the City limits, McKinney will be responsible for their portion of the cost.

The estimated cost for the City of McKinney to upgrade their portion of these four roads is \$281,485.05. (Road project cost breakdown is attached).

The McKinney City Council has approved the appropriation of funds needed to facilitate this proposed road upgrade project, (email attached).

With the Commissioners' Court approval, Public Works will begin the R.O.W. procurement process and schedule road upgrades accordingly.

Should you require additional information, please contact me and I will respond accordingly.
