Re: NCTCOG Grant Request

Public Works requests Commissioners' Court consideration and approval for Public Works to apply for grant funding through NCTCOG.

Public Works would like Commissioners' Courts approval to apply for this grant. Our grant objectives will be:

\*Public Service Announcements, (PSA's) – The PSA's will serve to better educate and create Public awareness of the ever increasing Illegal Dumping problem in Collin County.

\*Environmental Enforcement – This grant request will be coordinated with the Sheriff's Office, Fire Marshal, and the Constables' in an attempt to purchase remote surveillance cameras and equipment necessary to facilitate the environmental crimes component of illegal dumping.

Should you require additional information, please contact me and I will respond accordingly.
