Re: Best of Web – 5th Place for the County Portal Category

Collin County was awarded Best of Web – 5th Place for the County Portal Category in September 2009. The Best of the Web award annually ranks US, state and local Web portals that demonstrate “advances in digital solutions and communication with citizens, government communities and business (e.Republic, Inc.)”

I would like to formally recognize members of our Web team and PIO staff that worked so diligently to achieve this award. Specifically, **Susan Whitaker & Eric Nishimoto** who took the lead on portal design, navigation and graphics.
