## MEMORANDUM

DATE: February 16, 2010  
TO: Sheriff Terry G. Box  
Chief Rick Allen  
FROM: Major Chuck Ruckel *CR*  
RE: Electronic Ticketing Grant

---

The Collin County Sheriff's Office is requesting permission to apply for a grant to fund up to \$80,000 for electronic ticketing. This will allow our Deputies to transmit tickets directly from the field to the Justice of the Peace offices and eliminate the need for manual computer input. It will also reduce the errors with tickets and increase Deputy safety.

If the cost exceeds the grant amount of \$80,000, per Caren Skipworth, we will consider funding the remainder of the cost with CIJS funds. There will be no budget impact.
