MEMORANDUM

DATE: February 17, 2010

TO: Chief Investigator Novaline Varner

FROM: Investigators Brandon Clegg, Mike Bennett, Kenny Newton, Ryan Harvey

RE: Fingerprint Equipment

We are requesting to order 1 each of both magnifiers that are attached with this memo as we used these devices at the Advanced Fingerprint Comparison school. These devices will greatly help us in our fingerprint comparisons for court testimony.

Respectfully,
Brandon Clegg, Mike Bennett, Kenny Newton, Ryan Harvey

Acrylic Dome Magnifiers

These Acrylic Dome Magnifiers makes use of all available light. The lightweight, yet stable design includes a slightly concaved base, so it rests only on a narrow edge of circumference, a feature that prevents lens scratches. The sharp 4X magnification has minimum distortion, even when viewing objects at an angle. Excellent as a companion to a traditional fingerprint classification magnifier. Available in four sizes. Comes with a soft storage bag (2" size does not include bag).

#3105	**2" Acrylic Dome Magnifier**	**$19.00**
#3106	**2.5" Acrylic Dome Magnifier**	**27.00**
#3107	**3.5" Acrylic Dome Magnifier**	**48.00**
#3111	**4.5" Acrylic Dome Magnifier**	**115.00**
