RE: Right of Way Services Contract for FM 2551
Contract No. 0310-002-01

Dear Mr. Durham:

As you requested, please accept this as Halff Associates, Inc.'s confirmation that we agree to perform the same services at the same cost (\$100,000 lump sum based on 40 parcels) as were originally agreed upon in contract No. 0310-002-01 which expired on September 30, 2007. A copy of the said contract is enclosed for your reference.

The said contract expired without the right of way acquisition process being allowed to start. As of the date of this letter, the FM 2551 project has not yet obtained a Finding of No Significant Impact (FONSI) from the Federal Highway Administration. However, it appears that a FONSI may be obtained later this year.

Please return one (1) original to this office upon approval by the Collin County Commissioners' Court.

Should you have any questions or need additional information, please contact me at 214-346-6299.

Sincerely,

HALFF ASSOCIATES, INC.
