Subject: Payment Plan Request for Invoice #9911304

John-

In regards to our conversation today, the City of Celina proposes to pay ½ (\$18,642.43) of the invoice cost as soon as a payment plan is approved by the Court, and the remaining ½ (\$18,642.43) of the invoice not later than December 31, 2010.

Please let me know if this is acceptable to the County, or if you need any further documentation.

Thanks-

Jason Gray
