Re: Change Order #6 to IFB 10003-03, Fuels

Public Works requests Commissioner's Court consideration and approval of change order #6 to the contract with Martin Eagle Oil. The change order should include a clause concerning Collin County's responsibility for payment of Federal Oil Spill Liability fees and Federal Leaking Underground Storage Tank (LUST fund) fees. The fees are assessed at rates set by the Federal government and imposed upon fuel suppliers, who must recoup these fees from the purchasing parties.

Our current fuel supplier, Martin Eagle has been paying the fees to the Federal Government however, after conducting an internal audit; they notified Collin County that the fees are to be paid by the end users.

The estimated fees are nominal in scope:

- LUST fund: \$475.00 annually
- Oil Spill Liability Ave: \$907.00 annually

Should you require additional information, please contact me and I will respond accordingly.
