Re: Maintenance, Roads: Crack Sealing Service IFB No. 03195-10

Public Works requests Commissioner's Court consideration and any action regarding advertisement for bids on IFB No. 03195-10, Maintenance, Roads: Crack Sealing Service.

This bid packet includes the approximate usage for crack sealing and bid items for concrete sealing as well. Research has shown that the same material can be used for asphalt and concrete roads. The bid items have been separated because there may be more prep work need for concrete surfaces

Should you require additional information, contact me and I will respond accordingly.
