Re: 2007 Grant Adjustment Notice

This is a request to Commissioners' Court of a ratification of the 2007 Grant Adjustment Notice for the Homeland Security Grant Programs. The Grant adjustment extends the grant performance period to April 30, 2010. The grant was originally accepted on court order #AI27477. The original performance period of the grant was 10/12/07 through 3/31/2010. There is no change to the award amount.
