Re: FYI – SCS Lake Maintenance
In Kind Credit Forms

The Natural Resource Conservation Source (NRCS) requests Commissioners' Court consideration and approval to endorse and sign the Flood Control O&M Program In-Kind Match Reporting Forms.

The In Kind forms are for in kind credit for the O&M money that the Texas Soil and Water Conservation Board has allocated for the Collin Soil Water Conservation District to carry out O&M activities.

The majority of the money will be spent on the dams that have reached the fifty-year mark.

Should you require additional information, please contact me and I will respond accordingly.
