May 3, 2010

To whom it may concern:

I have reviewed the request from the Sheriff's Office to purchase the Forensic Recovery of Evidence Data Center (FRED) systems from Digital Intelligence and have concluded that the products are sole source. Digital Intelligence is the manufacturer of the systems and they are the sole distributor for the United States.

I have also tried to find similar systems and was unable to locate systems that are comparable.

Sincerely,

Matt Dobecka, CPPB  
Contract Administrator
