Re: NCTCOG Grant Request

Public Works requests Commissioners' Court consideration and approval to apply for grant funding through NCTCOG.

The Solid Waste Implementation Project Grant will consist of two separate applications:

- Collin County Citizen Household Hazardous Waste Collection Day X 3. The three separate events will be held in McKinney, Farmersville, and Weston at our R&B Service Centers. The HHW Collection Day will offer a solution for recycling and disposal of household hazardous waste to the citizens of Collin County.
- Solvent Remixer - The Solvent Remixer will offer the residents of Collin County an option for recycling household paints. The paints will be processed into primer (kilz) and donated or sold to various entities within Collin County.

Should you require additional information, please contact me and I will respond accordingly.
