**DATE:** June 3, 2010  
**TO:** Commissioners' Court  
**FROM:** Kelley Stone, Homeland Security  
**REF:** Medical Reserve Corp Awards

**This is an FYI to the court recognizing the Medical Reserve Corp of Collin County for their achievements. The MRC along with Maria Stephens received Outstanding Contributions Awards from Collin College (copies attached). These awards were determined by the Campus Committees and presented to an organization who works well with their students. One of the faculty members nominated the MRC Group and the other nominees this year included Agri-Life, an extension program from A&M, and Peer Mentors (a student group).**

**The MRC volunteers were instrumental in the success of the H1N1 clinics held this spring.**
