DIANA, TX 75640-0173

Dear Collin County Property Owner:

The Collin County Rural Addressing Office is currently standardizing emergency addressing, to ensure that there will not be a delay of emergency service to your residence.

To facilitate emergency response, some changes must be made to standardize addresses. Due to differing methods of addressing between the City of Princeton and Collin County, this section of US Highway 380 will be renamed and re-addressed for 9-1-1 consistency. See attached map for reference.

The addressing recommendation listed below will be made to the Collin County Commissioners' Court by the 9-1-1 Rural Addressing office. The agenda request will be made for the public session of the Commissioners' Court on July 12, 2010, which you are welcome to attend. The scheduled court date is subject to change – for information on the latest agenda notice go to:

[www.co.collin.tx.us/commissioners\\_court/commcourt\\_agenda.jsp](http://www.co.collin.tx.us/commissioners_court/commcourt_agenda.jsp).

Pending approval by the Commissioners' Court, your 9-1-1 address on the Hardin Wright survey, abstract 957, Block 2, Tract 88, will change:

from 837 US HIGHWAY 380 to **837 W PRINCETON DR**

PLEASE DO NOT MAKE ANY CHANGES YET.

Within 2 weeks after approval by the Commissioners Court, a 9-1-1 address correction letter will be sent to you, your emergency service dispatcher, post office\*, and the Collin Central Appraisal District.

The two Collin County Department of Public Safety (DPS) offices, in McKinney and Plano, will update the address on drivers licenses at no charge when shown the 9-1-1 address correction letter.

Property deeds are not affected by a change in address - even though the deed may reference a physical address, the legal description is the permanent property identifier. This office will provide an address verification letter at no charge, if ever needed in the future.

If you have any questions concerning this address, please call the GIS/9-1-1 Rural Addressing office at 972-548-4797.
