## MEMO

**Date:** July 13, 2010  
**To:** Commissioners Court  
**From:** Tracy R. Homfeld, P.E., CFM; Assistant Director of Engineering  
**Subject:** Interlocal Agreement between Collin County and the City of Wylie for Improvements to the Hooper Road bridge over Maxwell Creek – 2003 Bond Project #03-072 (County participation \$569,250).

---

Commissioner Court approved an Interlocal Agreement (ILA) for the Hooper Rd Bridge Project on October 24, 2006, court Order #2006-987-10-24. The ILA stipulated a specific amount for Engineering and Construction. The City has since completed Engineering and the figure has come in over the estimated \$217,500. We are now correcting the ILA such that it covers both Engineering and Construction but does not exceed the approved amount of \$569,250.

We have paid the City \$217,500 and they are requesting additional funds in the amount of \$55,500 for Engineering. This new ILA does not grant additional funds to the city, it is correcting the ILA to allow more funds to be used towards Engineering. This new Interlocal Agreement will supersede the ILA approved on October 24, 2006, court order #2006-987-10-24. The County's participation remains the same and will not exceed \$569,250.

**We request Commissioners' Court consider approval of the above mentioned Interlocal Agreement in the amount not to exceed \$569,250 and authorize Judge Keith Self to sign the ILA.**
