

COLLIN COUNTY, TEXAS

ADDENDUM No. 1

RFP 03221-10

REQUEST FOR PROPOSAL

FOR

EMERGENCY ALERT NOTIFICATION SYSTEM

DATE: JUNE 16, 2010

NOTICE TO ALL PROSPECTIVE BIDDERS:

PLEASE MAKE THE FOLLOWING CHANGES TO REQUEST FOR PROPOSAL:

ADD SECTIONS:

5.14.4 From time to time the County may utilize the system for emergency or general internal communications. It's desired that the system be able to integrate with internal County systems to generate notification lists. The County would like to understand the abilities of the Bidders system to integrate with external applications or import externally generated notification lists.

5.14.4.1 For example, the system may be able to send e-mail/text notifications based on uploaded Microsoft Windows Text (.TXT) or Microsoft Word Document (.DOC) files. The system may be able to send voice notifications based on uploaded audio files in a .WAV or .MP3 file format. The system may be able to send notifications based on an uploaded distribution list in a Microsoft Excel (.XLS) or Comma Separated (.CSV) file format.

5.14.4.2 If externally generated distribution lists are feasible, summarize file formatting specifics. For example, column-A contains '1' for an e-mail/text notification, '2' for a voice notification, and '3' for a TTY notification. In such cases column-B shall contain the address in the format specified – email address, telephone number, or TTY telephone number. Alternatively, the system may require a separate distribution list be uploaded for each communication type. Please specify the systems capabilities.

- 5.14.4.3 It's also desirable that the system provide per communication reporting capabilities. Specify if the system supports reporting and if so, whether it's summary, detailed, or both.
- 6.6.6 Provide price for item 03221-10-01, emergency alert notification system annual service agreement, base year
 - 6.6.7 Provide price for item 03221-10-02, emergency alert notification system annual service agreement, option year 2
 - 6.6.8 Provide price for item 03221-10-03, emergency alert notification system annual service agreement, option year 3
 - 6.6.9 Provide price for item 03221-10-04, 100 testing/training minutes per year
 - 6.6.10 Provide price for item 03221-10-05, system implementation
 - 6.6.11 Provide price for item 03221-10-06, per hour for additional system and database maintenance
 - 6.6.12 Provide price for item 03221-10-07, per minute of additional service
 - 6.6.13 Provide price for item 03221-10-09, per license for additional licenses

PLEASE NOTE ALL OTHER TERMS, CONDITIONS, SPECIFICATIONS, DRAWINGS, ETC. REMAIN UNCHANGED.

SINCERELY,
FRANKLIN YBARBO
PURCHASING AGENT
