RE FYI Notification of utilization of Cooperative contract

FYI Notification of utilization of Buyboard Cooperative contract to purchase one (1) truck tractor for Road & Bridge from Southwest International and accept their trade-in offer of \$8,000 for Unit #32119.

We obtained quotes from both Buyboard and HGAC Cooperatives, and Southwest International/Buyboard was the overall low bidder as the HGAC vendor did not offer a trade-in or provide all the requested diagnostics. We did research the trade-in offered and found the price to be equal to or greater than recent auctioneer prices.

This replacement was included in the FY2010 Budget, replacing Unit #32119, a 1999 truck tractor.

Quote Summary:

<u>Truck offered</u>	<u>Price w/o trade</u>	<u>Less Trade-in</u>	<u>Final Cost</u>	<u>Cooperative</u>
International Workstar 7600	\$108,117.21	\$8,000	\$100,117.21	Buyboard
International Workstar 7600	\$106,147.00	\$0	\$106,147.00	HGAC (incomplete offer)
