## MEMO

**DATE:** September 14, 2010  
**TO:** Commissioners Court  
**FROM:** Tracy R. Homfeld, PE, CFM; Assistant Director of Engineering  
**SUBJECT:** Approval of the "Agreement to Contribute Funds - Local Government" for FM 455 from US 75 to SH 5; TxDOT Right of Way (ROW) CSJ #0816-04-046 2003 Bond Project # 03-117C. Collin County's 10% participation is \$250,000.

We request Commissioners Court consider approval of the "Agreement to Contribute Funds - Local Government" for FM 455 from US 75 to SH 5. (Agreement and Location Map attached)

This project involves widening FM 455 from US 75 to just east of SH 5 from a two (2) lane rural to a four (4) lane (ultimate six (6) lanes) urban roadway. The construction of this project is funded with Regional Toll Revenue (RTR) Funds. The roadway project is scheduled to be let in June 2012.

The County has contracted with Dannenbaum and has environmentally cleared the project. We are also in the process of preparing the Final Engineering. Currently Dannenbaum has completed 30% design to include the hydraulic report, bridge layouts and pavement design report.

This ROW agreement stipulates TxDOT will be responsible for acquiring the right-of-way. TxDOT will be responsible for 90% of the right-of-way and all costs and fees associated with the right-of-way acquisition. Collin County will be responsible for 10% of the right-of-way and associated costs.

TxDOT estimates the cost of right-of-way will be \$2,500,000. *The county's 10% share will be \$250,000.*

### **ACTION:**

**We request Commissioners Court approve the "Agreement to Contribute Funds - Local Government" and allow Judge Keith Self to sign the agreement.**

We will be available to respond to Commissioners Court questions and comments.
