MEMO

DATE: September 14, 2010
TO: Commissioners Court
FROM: Tracy R. Homfeld, PE, CFM; Assistant Director of Engineering
SUBJECT: Approval of the Interlocal Agreement with City of Anna concerning the Utilities Engineering for FM 455 from US 75 to .75 east of SH 5; 2003 Bond Project #03-117B; Collin County's participation will not exceed \$117,358.50

We request Commissioners Court consider approval of the Interlocal Agreement with City of Anna concerning the Utilities Engineering for FM 455 from US 75 to .75 east of SH 5; 2003 Bond Project #03-117B. (See ILA and Location Map Attached)

The City of Anna has approved a contract with Dannenbaum to perform engineering, project management, procurement, technical, professional and consulting services relative to the FM 455 Water and Sanitary Sewer relocations. The City has requested the County's assistance to fund the Utilities Engineering in the amount of \$117,358.50. Since the utilities are located outside the current TxDOT Right of Way, some of these costs may be reimbursable to the county. As part of the Utility Engineering contract, they will locate all city owned utilities and those eligible for reimbursement.

The construction of this project is funded with Regional Toll Revenue funds. The project is anticipated to be let in June 2012. In helping to fund this contract, the county is assuring that the project will not be delayed.

ACTION:

We request Commissioners Court approve the Interlocal Agreement with City of Anna concerning the Utilities Engineering for FM 455 from US 75 to .75 east of SH 5; 2003 Bond Project #03-117B and allow Judge Keith Self to sign the agreement. *The county's participation will not exceed \$117,358.50.*

We will be available to respond to Commissioners Court questions and comments.
