

COLLIN COUNTY

OFFICE OF THE SHERIFF
4300 Community Avenue
McKinney, TX 75071

MEMORANDUM

DATE: September 23, 2010
TO: Sheriff Terry G. Box
Commissioners' Court
FROM: Major Chuck Ruckel *CR*
RE: TABC Grants

The Texas Alcohol Beverage Commission is offering grants of up to \$10,000 each for the enforcement of the underage drinking laws and education of youth. We have just been told of the grants and they are due by 10/15/2010. These grants may be used for overtime Deputies to conduct stings or other enforcement of underage drinking. They may also be used for educational programs and equipment. There is no match required.

These grants would allow us to do underage drinking enforcement at no additional cost to the County; therefore, we are seeking permission to apply for these grants.
