RE: Funding to Children's Advocacy Center of Collin County

In accordance with Chapter 59.06(d) of the Code of Criminal Procedure, requesting transfer of money to set-up budget to use Drug Forfeiture money as approved by Commissioner's Court for providing funding to Children's Advocacy Center of Collin, restricted to developing programs and providing training and education to local law enforcement personnel, prosecutors, Child Protective Service workers, forensic interviewers and other Multi-Disciplinary Team members to better protect children from sexual assault and sexual exploitation, from injury or death, and from abuse and neglect.

Particular emphasis should apply to forensic interviewers, vital to a successful prosecution of child injury and abuse cases, while expanding the availability and use of the Multi-Disciplinary Team approach to all of Collin County and its various law enforcement organizations and Child Protective Services efforts. The budget transfer request is \$50,000.00.
