Dear Lieutenant Bradley,

Enclosed are three copies of our upcoming Interlocal Agreement between the City of Dallas and the Collin County Sheriff's Office regarding the Internet Crimes Against Children Task Force. Please note that the effective dates of the agreement are April 1, 2010 through March 31, 2011. Please know as well that we are awaiting final, and routine, approval from the U. S. Department of Justice to extend the grant to July 31, 2011. That approval will give your office more time to make reasonable expenditures of the grant funds.

I ask that you review the Interlocal Agreements and if they meet your approval that you obtain the requisite signatures on them and then send all three copies back to me. I will get the signature of Dallas's First Assistant City Manager on them all and will then send one of the originals back to you for your records.

Should you have questions or need additional information please feel free to contact me at any time:
