Vendor Certification for Computer Equipment purchased by DSHS Contractor

(Please attach to Vendor's computer equipment quote and specifications.)

- 1.) All equipment components shall be new at time of purchase, of current production, and shall include the manufacturer's standard equipment, accessories (power cords, cables, etc.) and component documentation.
- 2.) All equipment components shall be one hundred percent (100%) IBM-compatible microcomputers, capable of running the same software, and capable of operating with add-on/options cards designed to run in IBM-compatible microcomputers.
- 3.) All equipment shall be certified 100% compatible with Microsoft Windows 2003 or higher. All equipment purchased for use as network file servers shall be Microsoft/National Software Testing Laboratories-certified to operate Windows 2003 Advanced Server or higher and Novell-certified to operate as a Netware 6.5 server or higher.
- 4.) DSHS is aware problems may develop in computer equipment due to heat generated by the components. The vendor must certify its computer system is designed in such a manner to allow for adequate heat dissipation and the vendor shall repair, replace, or add additional components to systems which have problems which are determined to be heat-related.
- 5.) DSHS expects systems and equipment purchased by DSHS contractors will be quality merchandise. Further, we expect the equipment will operate properly at the time of initial installation. DSHS hereby establishes and defines Excessive Failure as a failure rate greater than one percent (1%) of the items specified and provided to a DSHS contractor by the vendor which becomes non-operational and/or unusable during the course of normal operation. All problems must be repaired or replaced at the vendor's expense, including parts, labor, and any necessary freight or handling charges. If the vendor does not repair and/or replace the defective system(s)/component(s) within twenty-four (24) business hours of notification, the DSHS and/or its contractor shall have the right to take whatever reasonable actions are necessary to repair and/or replace the defective system(s)/components(s), and shall have the right to recover from the vendor all expenses incurred from these actions. Intentional or accidental damage of any system(s) and/or component(s) caused by employees and/or clients and/or acts of nature to the equipment shall not be construed as failure for the purposes of this provision.

FORM I - 7 Indirect Costs, Example and Instructions

Legal Name of Respondent:

Apple County Health Department

Total amount of indirect costs allocable to the project:

Amount **\$3,575**

Indirect costs are based on (mark the statement that is applicable):

<input checked="" type="checkbox"/>	The respondent's most recent indirect cost rate approved by a federal cognizant agency or state single audit coordinating agency. Expired rate agreements are not acceptable. Attach a copy of the rate agreement to this form (Form I - 7 Indirect)	RATE: 8.750% BASE: Modified total direct, including subgrants and subcontracts up to the first \$25,000; excluding equipment, capital equipment, as well as the portion of each subgrant and subcontract in excess of \$25,000.
-------------------------------------	---	--

INSTRUCTIONS: Organizations that have an approved indirect cost rate should complete the section above by marking the box and indicating the rate and base. A copy of the approved rate agreement that will be in effect during the contract term should be attached to Form I - 7. If a rate agreement is pending, submit the latest approved agreement.

<input checked="" type="checkbox"/>	Applies only to governmental entities. The respondent's current <u>central service cost rate</u> or <u>indirect cost</u> rate based on a rate proposal prepared in accordance with OMB Circular A-87. Attach a copy of Certification of Cost Allocation Plan or Certification of Indirect Costs. Note: Governmental entities with only a Central Service Cost Rate must also include the indirect cost of the governmental units department (i.e. Health Department). In this case indirect costs will be comprised of central service costs (determined by applying the rate) and the indirect costs of the governmental department. The allocation of indirect costs must be addressed in Part V - Indirect Cost Allocation of the Cost Allocation Plan that is submitted to DSHS.	RATE: 10.25% TYPE: (central service or indirect) BASE: Direct Salary and Wages
-------------------------------------	--	---

INSTRUCTIONS: OMB Circular A-87 permits States, Local and Indian Tribal Governments to prepare central service and indirect cost rate proposals in accordance with the requirements of the Circular and maintain the proposal and related supporting documentation for audit. The Circular goes on to state that no rate shall be acceptable unless such costs have been certified by the governmental unit using the Certificate of Cost Allocation Plan or Certificate of Indirect Costs as set forth in Attachments C and E. The certification forms are also available in the Appendix to the DSHS Contractor's Financial Procedures Manual (CFPM) available on the internet at: <http://www.dshs.state.tx.us/contracts/>

NOTE: Governmental entities must also submit a cost allocation plan as specified in Appendix A of the Contractor's Financial Procedures Manual to DSHS within 60 days of the contract start date. Governmental entities that only have a central service cost rate must also include the indirect costs of the governmental department. The allocation of indirect costs of the department must be addressed in Part V - Indirect Cost Allocation of the Cost Allocation Plan that is submitted to DSHS.

<input checked="" type="checkbox"/>	A cost allocation plan. A cost allocation plan as specified in the DSHS Contractor's Financial Procedures Manual (CFPM), Appendix A must be submitted to DSHS within 60 days of the contract start date. The CFPM is available on the following internet web link: http://www.dshs.state.tx.us/contracts/

If using a central service or indirect cost rate, identify the types of costs that are included (being allocated) in the rate: Salary/expenses of executive office staff (CEO, CFO), accounting office, personnel office; depreciation; facility maintenance; utility costs; general liability and property insurance;

Organizations that do not use an indirect cost rate and governmental entities with only a central service rate must identify the types of costs that will be allocated as indirect costs and the methodology used to allocate these costs in the space provided below. The costs/methodology must also be disclosed in Part V- Indirect Cost Allocation of the Cost Allocation Plan that is submitted to DSHS. **Identify the types of costs that are being allocated as indirect costs, the allocation methodology, and the allocation base:**

Facility costs, depreciation, utilities, and property insurance costs are captured in a separate cost center and allocated to cost objectives based on square footage occupied by the cost objective.

General administrative office, executive office, accounting office, and human resource office costs are captured in separate cost centers established for each office; the costs are pooled and allocated to benefited cost objectives based on direct salary/wages.

General organization costs (i.e. general liability insurance) are captured in a separate cost center and allocated to all cost objectives of the organization based on direct salary/wages.
