Terms and Conditions

Delivery:

Submittal completion: **2 to 4** calendar weeks after receipt of purchase order.

Delivery is estimated as **15 to 17** calendar weeks (GenSet) after receipt of written purchase order, receipt of approved submittals and written release of order for production. No liquidated damages will be accepted, assigned, or transferred to Cummins Southern Plains, LLC. Due to heavy demand in the current engine business, please be advised that delivery lead times are subject to change. Delivery point is listed in "Quote Includes" section above.

Quotation Terms and Conditions:

Due to the unstable pricing market for steel and copper, pricing is firm for order(s) received within 30 days of quotation date. If after 30 days from quotation date, or anytime prior to submittal release/approval raw material, components or vendors increase prices, or impose a surcharge on CSPL, CSPL reserves the right to increase prices and/or surcharge Purchaser and Purchaser agrees to accept such price increase or surcharge. Any local, State & Texas Emissions Reduction Plan (TERP) sales and use taxes which may be applicable are not included in this quotation. Payment terms are net 30 days after shipment with credit approval.

The following minimum charges will be assessed for cancellation of any order:

- 10% of total order price if cancellation is received in our office after we have provided submittals and prior to releasing equipment to be manufactured.
