MEMORANDUM

DATE: February 16, 2010

TO: Commissioner's Court

FROM: Kelley Stone
Director of Homeland Security

REF: FY 10 Public Health Emergency Preparedness Response Grant
Agenda #

I am requesting Commissioners' Court approval to apply for a budget amendment and redirect process of Phase II funding from the Public Health Emergency Preparedness Response (PHER) grant. A budget amendment is an allowable transference of expenditures in each grant category. A budget amendment will continue to allow for planning and operational developments needed to provide H1N1 vaccinations and education throughout Collin County.

The redirect process will allow existing PHER funded personnel to assist in an epidemiological capacity and increase and expand existing H1N1 surveillance and planning measures.

There is no cost to Collin County. If you have any questions do not hesitate to contact me.
