Let me re-phrase this... you have my permission to move money from personnel to medical supplies... \$7,000.

Michelle S. Patrick, MPA

Subject: WIC budget amendment
Importance: High

Michelle,
I need to move some funds from the other project category to the supply category so Barbara can order some supplies. Can you send me an email to authorize the move and also include the amount you would like for me to move?

Thanks,

Janna M. Benson-Caponera
