

Memorandum Of Understanding

This Memorandum of Understanding is between Indigent Healthcare Solutions (IHS) and Collin County, Texas. It is intended to document the removal of Redbook Codes from Collin County IHC. Such a removal is necessary because Collin County does not process prescription invoices using the Redbook Codes.

Therefore, by the acceptance of this Memorandum of Understanding, Redbook Codes shall be removed from the Collin County Indigent Health Care Department effective for December 2010 services causing a reduction of \$100.00 per month. All of the terms and conditions of the aforementioned Data Processing Services Agreement remain in full force and effect.
