MEMO

DATE: February 8, 2011

TO: Commissioners' Court

FROM: Tracy R. Homfeld, Collin County Engineering

SUBJECT: Request to approve the Interlocal Agreement (ILA) with the City of Celina for their 10% share of Right of Way participation with the Texas Department of Transportation (TxDOT) along SH 289 from North of FM 1461 to N. of FM 455. TxDOT ROW CSJ # 0091-04-056. New City of Celina Bond Project #07-00-08

This segment of SH 289 is scheduled to let in July 2011. TxDOT is completing final plans. The project was environmentally cleared on October 1, 2010. TxDOT will begin acquiring Right of Way once the participation funds have been submitted to the state.

Celina has asked the County to reallocate funding from their bond project #07-014, CR 5 from DNT Extension to SH 289, to fund their 10% share of Right of Way participation with TxDOT.

The attached ILA outlines how the funds will be spent, when they will be sent to the city and describes that their bond allocation for the CR 5 project will be reduced by \$260,000 in order to fund this new project. Celina's 2007 Bond allocation remains the same.

ACTION:

We request Commissioners court approval of the ILA with the City of Celina for their 10% share of Right of Way participation with the Texas Department of Transportation (TxDOT) along SH 289 from North of FM 1461 to N. of FM 455; New City of Celina Bond Project #07-00-08. Collin County's participation will not exceed \$260,000.
