Re: Solvent Recycler Grant

Last year, Public Works applied for and was awarded Solvent Recycler grant #11-04-G07 from the State of Texas through NCTCoG. Circumstances have surfaced that challenge the practicality of keeping this grant. Sources at NCTCoG suggest that the state could retract this grant in response to budgetary pressures.

Also, Collin County is in the process of implementing an illegal dumping Public Service Announcement on select media outlets. NCTCoG officials stated that Public Works could divert \$8,857 toward the expense of airing the PSAs provided we release any claim to the Solvent Recycler grant. For these reasons, Public Works requests Commissioners' Court consideration and approval to rescind all claims to the Solvent Recycler grant.

Should you require additional information, please contact me and I will respond accordingly.
