

Sec. 25.093. PARENT CONTRIBUTING TO NONATTENDANCE. (a) If a warning is issued as required by Section 25.095(a), the parent with criminal negligence fails to require the child to attend school as required by law, and the child has absences for the amount of time specified under Section 25.094, the parent commits an offense.

(b) The attendance officer or other appropriate school official shall file a complaint against the parent in:

(1) the constitutional county court of the county in which the parent resides or in which the school is located, if the county has a population of two million or more;

(2) a justice court of any precinct in the county in which the parent resides or in which the school is located; or

(3) a municipal court of the municipality in which the parent resides or in which the school is located.

(c) An offense under Subsection (a) is a Class C misdemeanor. Each day the child remains out of school may constitute a separate offense. Two or more offenses under Subsection (a) may be consolidated and prosecuted in a single action. If the court orders deferred disposition under Article 45.051, Code of Criminal Procedure, the court may require the defendant to provide personal services to a charitable or educational institution as a condition of the deferral.

(d) A fine collected under this section shall be deposited as follows:

(1) one-half shall be deposited to the credit of the operating fund of, as applicable:

(A) the school district in which the child attends school;

(B) the open-enrollment charter school the child attends; or

(C) the juvenile justice alternative education program that the child has been ordered to attend; and

(2) one-half shall be deposited to the credit of:

(A) the general fund of the county, if the complaint is filed in the justice court or the constitutional county court; or

(B) the general fund of the municipality, if the complaint is filed in municipal court.

(e) At the trial of any person charged with violating this section, the attendance records of the child may be presented in court by any authorized employee of the school district or open-enrollment charter school, as applicable.

(f) The court in which a conviction, deferred adjudication, or deferred disposition for an offense under Subsection (a) occurs may order the defendant to attend a program for parents of students with unexcused absences that provides instruction designed to assist those parents in identifying problems that contribute to the students' unexcused absences and in developing strategies for resolving those problems if a program is available.

(g) If a parent refuses to obey a court order entered under this section, the court may punish the parent for contempt of court under Section 21.002, Government Code.

(h) It is an affirmative defense to prosecution for an offense under Subsection (a) that one or more of the absences required to be proven under Subsection (a) was excused by a school official or should be excused by the court. The burden is on the defendant to show by a preponderance of the evidence that the absence has been or should be excused. A decision by the court to excuse an absence for purposes of this section does not affect the ability of the school district to determine whether to excuse the absence for another purpose.

(i) In this section, "parent" includes a person standing in parental relation.

Sec. 25.094. FAILURE TO ATTEND SCHOOL. (a) An individual commits an offense if the individual:

(1) is required to attend school under Section 25.085; and

(2) fails to attend school on 10 or more days or parts of days within a six-month period in the same school year or on three or more days or parts of days within a four-week period.

(b) An offense under this section may be prosecuted in:

(1) the constitutional county court of the county in which the individual resides or in which the school is located, if the county has a population of two million or more;

(2) a justice court of any precinct in the county in which the individual resides or in which the school is located; or

(3) a municipal court in the municipality in which the individual resides or in which the school is located.

(c) On a finding by the county, justice, or municipal court that the individual has committed an offense under Subsection (a) or on a finding by a juvenile court in a county with a population of less than 100,000 that the individual has engaged in conduct that violates Subsection (a), the court may enter an order that includes one or more of the requirements listed in Article 45.054, Code of Criminal Procedure, as added by Chapter 1514, Acts of the 77th

Legislature, Regular Session, 2001.

(d) If the county, justice, or municipal court believes that a child has violated an order issued under Subsection (c), the court may proceed as authorized by Article 45.050, Code of Criminal Procedure.

(d-1) Pursuant to an order of the county, justice, or municipal court based on an affidavit showing probable cause to believe that an individual has committed an offense under this section, a peace officer may take the individual into custody. A peace officer taking an individual into custody under this subsection shall:

(1) promptly notify the individual's parent, guardian, or custodian of the officer's action and the reason for that action; and

(2) without unnecessary delay:

(A) release the individual to the individual's parent, guardian, or custodian or to another responsible adult, if the person promises to bring the individual to the county, justice, or municipal court as requested by the court; or

(B) bring the individual to a county, justice, or municipal court with venue over the offense.

(e) An offense under this section is a Class C misdemeanor.

(f) It is an affirmative defense to prosecution under this section that one or more of the absences required to be proven under Subsection (a) were excused by a school official or by the court or that one or more of the absences were involuntary, but only if there is an insufficient number of unexcused or voluntary absences remaining to constitute an offense under this section. The burden is on the defendant to show by a preponderance of the evidence that the absence has been excused or that the absence was involuntary. A decision by the court to excuse an absence for purposes of this section does not affect the ability of the school district to determine whether to excuse the absence for another purpose.

(g) It is an affirmative defense to prosecution under this section that one or more of the absences required to be proven under Subsection (a) was involuntary. The burden is on the defendant to show by a preponderance of the evidence that the absence was involuntary.
