

COLLIN COUNTY

OFFICE OF THE SHERIFF
4300 Community Avenue
McKinney, TX 75071

MEMORANDUM

DATE: May 24, 2011

TO: Chief Rick Allen
Sheriff Terry G. Box

FROM: Major Pam Palmisano 

RE: Addendum to Regional Interoperable Communications Inter-Local Agreement

The attached Agenda Request is for Addendum to the Inter-Local Agreement between Collin County and the NTCOG for the regional interoperable communications equipment and services. The changes point out the error of FEMA missing a provision. This is explained in paragraph #5 of the attached. The earlier Addendum was limited to connectivity and maintaining the lines for three to five years. This Addendum involves maintaining the Wilmeth Road trunked overlay site for three to five years which Collin County would have done anyway. This recent addition does not change anything that had been agreed upon concerning the connectivity; the payment of T1 costs remains with the County beginning June 1, 2011. The T1 item is now rolled into sustaining the trunked overlay site.
